Action & Coaching Narrative

I. Based on your Action Plan (submitted in January 2008), please describe the activities and actions the community **implemented/completed**. Also, identify the **Approach** from the “Thriving Community Guide” (pg. 16-19 and listed below) that closely matches the community action, as well the impact of each action. Please remember to include a description of the **evaluation method** used to measure impact and outcomes?

- a. Focus on early childhood, youth, and schools
- b. Create more and better job
- c. Help people meet their urgent needs
- d. Join with others to create change.
- e. Build assets and hold onto them
- f. Fight racism
- g. Invest in basic community resources

III. Please describe briefly other community actions that were **completed** that were not included in the Community Action Plan.

IV. What Action(s) is the community planning to accomplish that will not be complete by **June 30th, 2008**?

VI. Provide a brief narrative of how the remaining funds will be spent to further the Community Action Plan. Remaining Action and Coaching funds, if any, should be invested on community projects and resources consistent with the Horizons objectives of long-term poverty reduction strategies. Please consider funding additional Study Circles, LeadershipPlenty Training, community planning, etc. Use the Study Circles *Approaches* to help budget remaining funds.

VII. What strategies did the community use to ensure that individuals from all socio-economic classes were encouraged, and had the opportunity, to participate in program activities? What were the results?
